

Experience Cisco Live 2026

Discover the latest innovations from Cisco and stay ahead of the competition. Join Conscia in Amsterdam for five days of Cisco presentations, keynotes and networking.

Imagine a week in Amsterdam filled with inspiration, innovation and people working at the cutting edge of technology, just like you. At Cisco Live EMEA 2026, you will get the latest in networking, security, and AI, and hear directly from the experts shaping the future of IT.

Cisco Live – where technology meets inspiration

For over 35 years, Cisco Live has been the go-to destination for the best and brightest in IT, to learn from each other, experience the latest technology, build community and celebrate each other.

Join Conscia to Cisco Live 2026

As a guest at Conscia, you get more than just a conference. You will have access to our leading CCIE Cisco specialists who share insights, experiences, and new perspectives. We invite you to joint activities, roundtable discussions and dinners where you can exchange ideas and make contacts with industry colleagues from all over the Nordic region.

We take care of the practicalities, hotels, events and social activities, so you can focus on discovering, learning and getting inspired. Together, we make sure you get the most out of every day at Cisco Live.
